

**RENEWAL APPLICATION
FOR THE
LOUISIANA HEMOPHILIA FOUNDATION
\$500.00 SCHOLARSHIP**

The Foundation provides two \$500 educational scholarships to be awarded to persons with hemophilia or other bleeding disorders in the state of Louisiana who are pursuing higher education (trade school or college). Each of the two scholarships is awarded twice a year through an application program. Applicants are recruited through the Foundation's quarterly newsletter and approved by the Board of Trustees. The nurse and social worker for the Hemophilia Treatment Center also encourage those who are eligible to apply. The purpose of the scholarships is to help those in the bleeding disorder community become more productive citizens. The scholarships are gifts, not loans, and can be used by the recipient as needed (books, meals, etc.). All committee decisions are final.
